The overall development of the students at our College through instruction, learning, and extracurricular activities is the primary focuses and thrust area. Students from a wide range of cultural and socioeconomic backgrounds can thrive in our college.

Both English, Marathi and Hindi are used in the classroom. The Departments implement a variety of student engagement programs. In order to pique their interest in the subject matter, students are encouraged to produce PPT and paper presentations.

Mentors provide each student with direction and support. Our institution relies heavily on attendance management and discipline enforcement. There are a lot of webinars, invited lectures, educational tours, and programs that work together with colleges nearby. Foundation sorts out mindfulness raising projects in regards to the issues of orientation separation, human pride public solidarity, mutual concordance and natural preservation.
