Strategic planning

A guide that is practical and action-oriented is a strategic plan. It creates a concise statement of the institution's mission and vision, identifies a set of goals, and develops key strategies to address those aspects that are crucial to the institution's success. The major undertaking that will reposition the Institution for the future is also indicated by key strategies

Short term plan

- **Curriculum Development**-The admission of students in B.Ed. Course is done strictly as per NCTE norms. The mode of admission will be Common Entrance Test
- Syllabus prescribed by SNDT Women's university to be implemented
- **Teaching and Learning** – micro teaching, Internship programme, EPC Activities
- Provide Support on -line teaching process
- **Examination and Evaluation** - Assignment of evaluation methods to be adopted.
- Transparency is maintained in on line evaluation process.
- Mentor will be responsible for the Students academic improvement
- **Long Term Strategic Plans 2017-22**
- Meeting the individual and varied requirements of vernacular medium student teachers in terms of English language acquisition and academics
- To improve communication and presentation skills of student teachers
